

You decide to follow the sign that points to the Main Building. You just know in your bones that Gus is after that new computer. The computer manages water flow and sewage for the whole city.

You enter the Main Building through a back door. It opens into a long hallway of offices. All the doors are closed.

Suddenly you hear voices. Someone is coming! You look around, but you don't have many options. What should you do?

---

*If you decide to run up the hallway and away from the voices, turn to page 45.*

*If you stay where you are and pretend to be lost if anyone asks, turn to page 40.*
